CURRENT ACADEMIC EMPLOYMENT

Professor, Department of English, University of Southern California

PUBLICATIONS

Books

Addiction and Devotion in Early Modern England. Philadelphia: University of Pennsylvania Press, 2018.

In uncovering contradictory but related understandings of addiction as devotion and compulsion in the early modern period, this book illuminates a previously-buried conception of addiction as a form of devotion at once laudable, difficult, extraordinary, and even heroic. Surveying the sixteenth century invocations of addiction – in dramatic literature and poetry, as well as political, theological and legal tracts – reveals that one might be addicted to study, friendship, love, or God. Yet this book also uncovers an early modern understanding of addiction to alcohol, evident in medical, theological and literary texts, at least a century earlier than medical historians and lexicographers have posited.

Reviews:

The American Interest (April, 2018)

Reading Religion: A Publication of the American Academy of Religion (June, 2018)

King Richard III: Language and Writing. Bloomsbury Arden Shakespeare. London: Bloomsbury Press, 2018.

In his play *King Richard III*, Shakespeare presents a masterful study in the language of deception and manipulation in the character of Richard, who lies, persuades and kills on his path to the throne. This book provides insight into the rhetoric of key speeches and pays specific attention to the changing perceptions of King Richard III in history and art. The final section of this volume focuses on giving students the necessary tools and skills needed for writing effective and comprehensive essays.

Treason by Words: Literature, Law and Rebellion in Shakespeare's England. Ithaca: Cornell University Press, 2006. Paperback Edition: Dec 2007.

Reviews:

TLS: Times Literary Supplement (May 4, 2007)

Comparative Drama, Shakespeare Quarterly, Sixteenth Century Journal, Renaissance Quarterly, Modern Philology, Choice, H-Albion
